Letter No Dd C27/44-45 Dt 7-12-44 from the Chairman. City Improvement Trust Board, Mysore requesting that a grant of Rs 57,450 may be granted to the Mysore City Improvement etc

1 It is stated that as per orders of the Dewan the present slaughter house was shifted to Kesare, that the Improvement has to incur an expenditure of Rs 7450 for putting up a temporary structure in this behalf till a permanent building is constructed & that a grant to this extent may be given by Govt as the slaughter house was shifted at the instance of Govt

2 Further, it is stated that the existing slaughter house has been ordered to be given to the Police Deptt for locating the Fire Brigade & that the building of anchored wooden fetch about Rs 50,000/- & that the Improvement is a loser to the extent of Rs 50,000 in this behalf

3 The Dept therefore requests that a grant of Rs 50,000 + 7450 = 57,450 may be given to the Improvement.

4 The Mysore City Improvement Board has requested the Mysore City Improvement Board to get the estimates sanctioned & carry out the work on their behalf out of the Govt grant

5 The Chairman therefore requests that a grant of Rs 57,450 may be granted to the Improvement Board for orders

Subj - Estimate for shifting of Slaughter house, from Mandi Mohalla to Kesare Extension Mysore

1) On Sept 1944 the President Mysore City Municipal Council submitted an Estimate for Rs 28,200/ for Constructing a new Slaughter house, as the existing Slaughter house, which was constructed at a cost of Rs 11,414 in the year 1934 was situated on the Bannimantap Road, just by the side of the Procession Route The cost of the work was proposed to be met out of the Sale amount to be realised from the existing building when being converted into a School A copy of the Council resolution of the Municipal Council in this behalf, together with other particulars were called for

2) In the letter dt 6-11-44 the President states that, in accordance with the instructions of the Dewan, the Slaughter house was shifted to a temporary house Constructed in a Survey land near Kesare Extension from 28-9-44 and that the old building was handed over to the police Department for locating the Fire Brigade

3) It is now proposed to construct a permanent Slaughter house at a cost of Rs 40000 according to the new type design to be furnished by the Director of public Health The detailed Estimate for this work, with plans & details will be submitted in due Course

4) On 31-10-44 the Mysore City Municipal Council

have resolved as follows —

as much as the Municipal Council have resolved on 27-5-44 to construct a new type of Sheep Slaughter house and then shift the present one and that owing to special circumstances, The Slaughter house has been shifted to a temporary place, the expenses to be incurred in this connection have therefore to be borne by the Government or Trust Board. These estimates may be referred to the Trust-Board for land sanction."

5. The cost of constructing the temporary Slaughter house is estimated at Rs 7450- and the sale amount of the old building with its surrounding open area is estimated at Rs 50,000/ The Municipal president has therefore asked for a grant of Rs 57,450- from Government to the Mysore city Municipal Council, in order to meet the unforeseen expenditure. There is no provision in the current years state Budget, for these works

6) The points for orders are —

1) If the above estimates for Rs 7450- for the temporary slaughter house at Kesare may be referred to the Chief Engineer, for scrutiny in the first instance, The cost of the work may thereafter be borne from state funds

2) If the president may be asked to submit the detailed Estimates for Rs 45,000,

The total of 7 items is Rs 1165 Items 6 & 7 are of a permanent nature

3445

for the construction of permanent buildings, (Hanuthimmaiah) on receipt of which the source for meeting the cost will have to be decided

3) whether the Inspector General of police may be addressed, if the old building is permanently required for the Fire Brigade and if so, whether the Department is willing to purchase the Building from the Municipality

1752 ✓ 530 4/2

To On April 1944, the Chairman Mysore city Improvement Trust Board had forwarded seven estimates, at a cost of Rs 11,650/- relating to the construction of a temporary sheep slaughter house at Mysore, as detailed below —

		Rs
1)	Butchering platform —	2050
2)	Skinning shed —	1400
3)	Boil platform —	500
4)	Awning shed —	2800
5)	pipe line, pumpset —	700
6)	Constructing a well —	1600
7)	Forming an approach Road from Main Road —	2600
	Total —	11,650

7) Out of these 7 items of work, items 6 & 7 costing Rs 4200/- are of a permanent nature The president Mysore city Municipal Council recommended that the cost of items 1 to 5, amounting to Rs 7450 — which were of a temporary nature ~~were sanctioned~~ be met by Government. This was accordingly sanctioned by Government in G.O. No. C 4797-41 M 11-43-42,

Re - The Shifting of Slaughter House

With reference to your letter No L 3109 dated 9-10-1944, I have the honour to state that as the existing slaughter house is situated just by the side of the Procession route and will be surrounded by the New Bannimantap Extension, it was proposed to shift the same to the hillock near Jodithenginamara Burial ground about three furlongs away from the main road For this purpose the Municipal Council resolved (vide resolution No 4 dated 27-5-1944 copy enclosed) to shift the Slaughter House and provided in the Budget a sum of Rs 22,000/- on the expenditure side and a sum of Rs 50,000/- on the receipt side expecting this sum as realisation by selling the existing slaughter house While sanctioning the Budget, Government removed these two items and the work of shifting could not therefore be taken up immediately It was originally thought that it would be better to give the building to the Educatio Department for starting a Middle School Last year the Education Minister was also taken to the spot and shown the building But no reference was however made to the Department and their willingness ascertained, as the Budget provision was cancelled by Government

At the time of his inspection during Dasara, the Dewan Saheb ordered to shift the Slaughter House before the Procession date and to locate it in a temporary place in a suitable locality till the permanent structure was completed and that slaughtering in the old building should be stopped once for all According to these -- instructions, slaughtering in the old building was stopped on 24th September 1944 and a new temporary slaughter house was constructed expeditiously in a Survey land near Kesare Extension This land wa

taken possession of within 24 hours with the help of the Deputy Commissioner, Mysore and the same was approved by the Director of Public Health after inspection as being fit for locating the Slaughter House The slaughtering was resumed in the new temporary building on 28th September, 1944 The necessary amenities have bee completed The Dewan Sahib was also pleased to state that the Old Slaighter House building might be utilised for locating the Fire Brigade and accordingly the Inspector-General of Police and the District Superintendent of Police saw the building and a Board was also put up during the Procession The District Superintendent, I hear, is making arrangements to get suitable alterations made for the building to locate the Fire Brigade The temporary Slaughter House consists of the following amenities which were suggested by the Health Officer and the Director of Public Health during their inspection

(1)	Butchering platform	Rs 2050/-
(2)	Skinning Shed	Rs 1400/-
(3)	Boti Platform	Rs 500/-
(4)	Airing Shed	Rs 2800/-
(5)	Pipeline, Pump and water cistern	Rs 700/-
(6)	Constructing a well	Rs 1600/-
(7)	Forming an approach road from the main road	Rs 2600/-
	Total	Rs 11,650/-

Out of these 7 items of work, items 6 and 7 costing Rs 4,200/- are permanent nature and may be utilised for the permanent - Slaughtering House to be constructed in the same place Expenditure on 1 to 5 amounting to Rs 7450/- will be of a temporary nature The construction of the permanent building may take over a year

4 The estimate for the construction of the new building sanctioned by the Council as per old design amounts to Rs 21,500/- ard over this the tender was 39% i e , the total cost will be Rs 29,885/- When the Director of Public Health was here during Dasara he suggested the new type design for a slaughter house which has capacity for slaughtering 350 sheep per day to be adopted and he has been addressed to send the type design The present slaughter house has a capacity of only 200 sheep per day which does not meet the present demand of the city which is about

250 to 280 per day Hence the new type design may cost about Rs 40,000/- as per tendered rate The detailed estimate for this will be submitted for sanction in due course.

If the old building with its surrounding open area is auctioned it might fetch a sum of Rs 50,000/- and as the building is now proposed to be taken over by Government, the Municipal Council may kindly be given a grant of Rs 50,000/- Further, as per instruction, slaughtering is stopped in the existing building by constructing a temporary slaughter house at a cost of Rs. 7450/- (vide items 1 to 5 above) The Municipality is not agreeable to meet this expenditure since it did not contemplate the - necessity for a temporary structure till the new building came up. The idea of the Municipality was to shift to the new permanent building once for all after it was completed It is therefore respectfully submitted that a grant of Rs 50,000/- + Rs 7450/-) Rs 57,450/- be given to the Municipal Council in order to meet the unforseen expenditure As the contractor who did the temporary slaughter house is urging for payment, early sanction of Government is solicited

Sir

I am directed to state that the President, Mysore City Municipal Council has reported that the old slaughter house building situated on the Bammanahalli road in Mysore was handed over to the Police Department for locating the Fire Brigade and that the District Superintendent of Police is making arrangements to get suitable alterations made for the building. It is also stated that in the old

With the surrounding open area it measures it may fetch a sum of Rs 50,000/ As the building is taken over by the Government Department, the Mysore City Municipal Council have asked for a grant of Rs 50,000/ from the Government, which represents the probable cost of the above building

2) I am therefore to enquire, if the above building is permanently required by the police Department, for the Fire Brigade and if so, whether the Police Department is willing to purchase the building from the Mysore City Municipality

SIR,

Accommodation for the personnel and equipment of Fire Brigade stationed at Mysore.

In continuation of this office letter No.AC 1858/42 dated 19-10-44 on the above subject, I have the honour to enclose a copy of letter No.L.5987 dated 16-12-44 received from the Secretary to Government, Law Department, and to state that the Old Slaughter house can be made use of for locating the Fire Brigade provided necessary alterations and additions are made for housing the Fire Fighting vehicles and equipment and the personnel. The building with its surrounding open area is purchased from the President, Mysore City Municipal Council and given over to this Department at a valuation to be fixed by the Chief Engineer, Roads and Buildings, as the sum of Rs.50,000/- claimed by the Municipality seems to be excessive Since this new item of expenditure was not contemplated at the time of preparing the budget, the question of meeting the cost of the building may be considered by Government

The question of constructing quarters for the Officers and men of the Provincial Reserve Police contingent stationed at Mysore has been taken up and it is understood that during a joint inspection by the Chief Engineer, Roads and Buildings, Government Architect and other officers, a site near the Forbes Power House at Mysore was considered suitable for the purpose It would be convenient if the Fire Brigade Station is also located near the P.R.P.Head Quarters and if this idea is approved, the question of converting the Old Slaughter house into Fire Brigade Head Quarters will have to be dropped

I ~~am to~~ request the favour of orders of Government in this behalf.

I have the honour to be,

Sir,

Re Construction of Temporary Sheep Slaughter House at Mysore

Adverting to Government Order No L 4797-4/M1 11-45-82 dated 10th December 1945 on the above subject, I have the honour to state as follows -

(2) The estimated cost of the temporary sheep slaughter house as intimated to Government in the Mysore City Municipal Council President's letter No E T 145/44-45 dated 6th November 1944 was Rs 11,650/- Out of this, the cost of (1) construction of a well (R 1,600/-) and (2) forming an approach road from the main road (Rs 2,600/-) i e, Rs 4,200/- in all had been reported to pertain to works of permanent nature, since the well and the approach road might be utilized for the permanent slaughter house to be constructed in the place In Para 5 of the Government Order referred to above, it has been ordered that a sum of Rs 7,450/- (probably representing Rs 11,650/- less Rs 4,200/-, being the estimated cost of the well and approach road) will be paid by Government, the ~~source~~ same being met from general savings under 30 Grants for Public Improvements in the current year's Budget

(3) In this connection, it is submitted that it was on account of the shifting of the slaughter house from the New Bannimantap Road to Kesare, that necessity arose for a well and approach road As such it is considered that is the Government that will have to bear the cost of these works and not the Municipality Under these circumstances, the cost of these two works also (which have already been executed by the Trust Board) may kindly be met by Government and extra funds sanctioned under 30 Grants for Public Improvements, ~~for~~ to the extent of Rs 4,200/- as stated above

(4) During my recent inspection of the well, it was considered necessary to deepen this well, as there was not sufficient quantity of water therein The cost of deepening the well is Rs 1,750/-, as per estimate separately for-

forwarded Sanction may kindly be accorded to this estimate with allotment of funds very early

(5) In all, a reference may kindly be made to the Comptroller to place at the credit of this office the grant already sanctioned viz , Rs 7,450/- + Rs 4,200/- (estimated cost of well and approach road + Rs.1,750/- (estimated cost of deepening the well)
